

BILL LONG 2000

Bill Long began bowling in the Junior program at Cooper's Oakland Lanes. Since completing college and military service in 1973, he has competed yearly in two leagues.

In 1975 Bill was elected Treasurer of the Oakland Businessmen's League, and is now completing his 25th year in that position.

In 1988 Bill was elected Treasurer of the Sportsman League, and served in that capacity until the current season, when the leagued ceased to exist, merging with the Wednesday Industrial League.

In addition, Bill is in his 21st year as a member of the Board of Directors of the Elkhart Bowling Association (the longest tenure among current board members, and one of the longest in EBA history). During that time he has served as President, Vice President, and since 1986 as Treasurer of the association.

As owner of Main Package Liquor, he has, for over 15 years, sponsored two or more bowling teams (both men and women), and since 1987 has sponsored the Team Event of the EBA City Tournament, that being the first year that any sponsorships occurred and he has sponsored each year since.
