

2015 *Karen Ferro*

Karen is being honored for her bowling ability.

During her bowling career, which was cut short, she averaged as high as 184 in 1986. That was a very good year of bowling. On January 6th she subbed in the scratch league, bowled a high game of 268 in a high series of 645. In that same year she won the Truth Roll-off at Rainbo Lanes.

Karen was always a joy to bowl with. She was a strong competitor and also great fun.

Always a smile!

Heart City USBC is happy to induct Karen Ferro into the Heart City USBC Hall of Fame.
