

# 2012

## ***Barbara Mann***

---

Barbara has been bowling for over 50 years in many leagues and many different Bowling Centers, until health problems forced her to retire.

She bowled in both Scratch and Handicap leagues and was a league officer several times.

Barbara was a past board member in the Elkhart Women's Bowling Association. She bowled in numerous Indiana State Bowling Association Tournaments. Barb also bowled in the Perterson Classic for many years in Chicago.

She had several National Bowling Tournaments to her credit and had several six hundred series back in the days when a "600", especially for a woman, was a really big deal. Barbara has a lifetime high game of 286.

Barb really enjoyed the game, and the people around her enjoyed her fun loving attitude.
