Kevin D. Graber

Kevin grew up around the Middlebury/Goshen area and started his bowling career in the very early 1980's. He really liked everything about the sport . . . so much so that he has actually bowled in every men's and mixed league in Goshen, over the years. The 54 year old was also very active in the Goshen Association, serving on the Board of Directors for ten years, and as Association President for two years. About ten years ago, Kevin started a pro shop at Maple City Lanes, and has been quite successful drilling balls for fellow bowlers. Even while doing all this, Kevin still took the time to coach Northridge High School for six years, winning three sectional titles each for girl & boy students there.

Kevin was inducted into the Goshen Hall of Fame last year, but along the way he has compiled a very enviable list of achievements, many of which are listed below. He actually started bowling in Elkhart leagues in the later 80's, carrying his highest average (234) in 2008 at Signature Lanes.
